

## Tricolore Panini

### Ingredients

bread  
pesto  
tomatoes  
mozzarella or parmesan cheese slices  
butter  
salt  
pepper

### Directions

Slice tomatoes thinly and season with salt and pepper. Butter two slices of bread and season with salt and pepper. Spread a thin layer of pesto on the inside of one slice of bread. Add a thin layer of tomatoes. Add cheese. Cook on a griddle or frying pan for 5-10 minutes, flipping half way, until cheese is melted and outer bread is browned.

Note: avoid using too much pesto or you'll have a mess on your hands!
